

Molly Koers

October 20, 2011 - May 5, 2026

Molly ("Moll") Koers was born on October 20, 2011; and passed on May 5, 2026. She is survived by her pet parent, Mary Koers. Other family and friends are Judy and Reggie Sipes.

Molly's favorite activity was sitting on a pillow in the couch window. Her least favorite thing was going to the vet. Her favorite place to sleep was the couch window.

Favorite memories of Molly: She would walk down to my neighbor's house by herself. I would say "go to Judy's house."
