

Moses Epperly

December 5, 2014 - December 6, 2023

Moses was born December 5th , 2014. He left this earth on December 6th, 2023 at 4pm after his fight with cancer. Moses was a gentle giant whose love was expressed in many cuddles, slobbers, and holding of paws in hands. He loved to be close to mommy, daddy, and all of those whom entered his home. His occasional shenanigans of trash treasure seeking, squirrel chasing, hiding his treasures in the closet, or barking with his friends next door will truly be missed. He loved to lay in the sun on the back porch or in his yard when the weather permitted. He had a way of always getting at least a taste of daddy's food, as he watched mommy cooking in the kitchen. He loved to be sung to, and he would often wink to acknowledge the words spoken to him. God gave us such a beautiful blessing and it has been an honor to have our beautiful boy Moses in our lives. We will cherish his memory until we meet again in paradise. Thank you to all of you that have serviced and loved our beloved Moses.
