

Nikko Norris

Nikko, I am very sorry you had a very sick time at the end of your time here, but one thing is for sure you can't be replaced. It was very hard to make the choice to let you be free, but as your Dad I couldn't let you continue to be in pain. You are with your mom now, my wife, and not a day goes by that I don't tell you both good night and that I love you so much. As I try to pick up the pieces left in my life and move forward minute by minute, I can't help but thank you for being there for me for almost 12 years and the good times me and your mom spent together. I will see you again hope you are having a wonderful time walking, running around in heaven with Lisa that you so enjoyed. Until I see you both again, just know Dad loves you, and you and mom keep helping me with the daily struggles I have with losing you both. Love you Nikko fly high buddy!!!!
