Nitro Hiday crossed the Rainbow Bridge peacefully on December 20th, 2022, he was approximately 9 years old. Nitro is survived by his mama, Jenny Ellis and his dad, Chris Hiday. Also surviving are his siblings Trucker, Angel and Ching; his Mamaw and Papaw Ellis; favorite baby sitter Amy Hiday; special friends Morgan, Mariah and Trent.

Nitro's many nicknames included: Mama's Baby Boy, Bubs, Buddy, and Nacho. He loved to be talked to in "baby talk" and would often smile for his favorite people. Nitro loved loved loved blankies and would rearrange them until they were just perfect to snuggle in. He always wanted to be warm, usually sporting a winter coat or snazzy sweater! In warmer weather Nitro loved to take his time sniffing around the yard and looking for a nice sunny spot. Nitro was truly loved by everyone he met! He was a sweet, gentle boy who was almost always wagging his tail. Nitro leaves behind many broken hearts but so many happy memories that bring a smile to our face and a tear to our eyes.
