

## Nova Slye

July 1, 2012 - November 20, 2021

Nova Slye was born on July, 2021, and past away on November 20, 2021. Her pet parents are Jeremy Slye and Kim Osborn. She is also survived by her siblings Jayla, Mazie, Rylin, her pet siblings Chocko, Boots, Buddy, and Tigger, and her mamaw and papaw Slye. Nova loved taking long walks with mommy, daddy, and human siblings, and her favorite toys were squeaky duck and pig. She loved sleeping on her sofa, but she definitely did not like the vacuum sweeper. Nova was always running in circles nonstop, getting her pup-cups at Starbucks, and going on road trips. When she was a good girl, she was treated with mcdoubles and honey buns. One of Nova's favorite things was seeing her human siblings getting off the bus. She adored having company and was LOVED by everyone she met.
