

Nutmeg Terrell

March 3, 2012 - June 28, 2025

Nutmeg (“Bean”) was born around March 3rd, 2012 and passed on June 28th, 2025. She is survived by her pet parents Savannah Terrell and Alex Shaffer, and human sibling Emma.

She was preceded in death by pet siblings Edna, Prison Mike, Karlach, P.J., and Jude.

Nutmeg enjoyed the finer things in life; sun bathing, squeaky toys, and of course, snacks.

She welcomed many foster and forever pet siblings, and kept them to her strict routines.

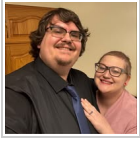

Nutmeg touched all who knew her with her calm demeanor, collection of tricks, and her dedication to her dear pet mom. She was sure to follow Savannah anywhere, with a peaceful presence and a loving glance.

Nutmeg’s accolades included “demo dog”, working diligently with Savannah, training other loved dogs on leash manners, tricks, and socialization.

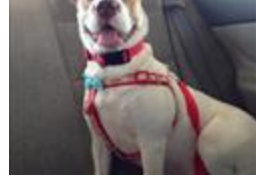

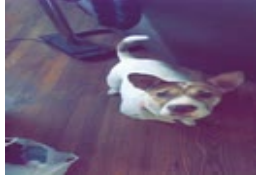

All who knew her, knew patience, kindness, and the gentleness that comes with a rescued dog, appreciative of the wonderful life she was adopted into. In honor of sweet Nutmeg, we ask, if anyone feels so inclined, to make a

donation to the Animal Protection League's "Joslin's Fund", created to assist in the medical care of the animals here in Anderson. Joslin was a fierce animal advocate, and we just know she was waiting to welcome Nutmeg to the rainbow bridge.
