

Nyla Chamberlain

February 26, 2011 - January 24, 2023

Nyla Chamberlain, our sweet pitbull, passed away peacefully at home on January 24th surrounded by her family. She lost a hard fought battle with mast cell tumor cancer after almost two years of being brave and strong, despite the challenges. Nyla is survived by her pet parents, Odell and Jenifer Chamberlain, and her pet sibling, Gracie.

Born February 26th, 2011, in Anderson, Indiana, Nyla spent her whole life loving us unconditionally. She brought so much joy, companionship, and loyalty to her family and friends from the moment she was born. Her human-like personality and her sweetest, most innocent eyes were enough to melt anyone's heart.

Nyla loved cuddling, belly rubs, and sitting at the edge of the kitchen watching her Mom cook...waiting for her to drop something on the floor! She especially enjoyed when her Dad would share his food with her. Nyla liked hanging out in the garage with her Dad, and following him around the yard when he mowed. She liked being in the garden with her Mom, eating kale and carrots at harvest time. She loved taking naps cuddled up with Gracie. Her favorite activities were going bye-bye in the car, camping trips, taking walks around the neighborhood, and basking in the sun.

We will miss the daily routines we had with her, greeting us at the door when

we got home, and her sweet personality. Our home is not the same without her.

Nyla was special to so many friends and family members. It's safe to say..she was the favorite, but don't tell Gracie that! The fierce bond she had with her Mom, Dad, and Gracie will always be cherished.

Odell and Jenifer would like to thank all their friends and family who loved Nyla and spoiled her rotten throughout her life. And a special thank you for all your support over these past two years. The family asks that you give your pups extra love and an extra treat today in honor of Nyla's life.
