

## Oreo (Von-Biscuit) Smith

May 15, 2012 - June 26, 2023

Oreo (Von-Biscuit) "Bisc", "Gippers", "VonB", "IgnOreo", "Chief Growl N Woof", "King B", "Puppy Boy" Smith was born on May 15, 2012, and passed over the Rainbow Bridge on June 26, 2023. He is survived by his pet parents, Nance and Larry Smith; pet siblings: Kookie, Syllly, Sissygurl, and Stu Bdo. Other family and friends are Freda and Jerry.

Oreo's favorite toys were his tennis ball and Greet toy. His favorite activities were going to the ball park, going around the ball park, and watching out his big screen window. His least favorite things were a bath, nail trimming, strangers, and steak bones. (Yes it's TRUE!) His favorite place to sleep was the corner of the couch or the hooman bed.

Favorite memories: It made our day to make Oreo's day by going to the Ball Park regardless of weather ir work and watching Oreo eat his breffas bone. He was so very competitive for a dog!

Oreo was like a service animal to us. He was very intelligent and Intune with our emotions. He was literally a diamond in the rough!

He will be greatly missed and our love for him will only grow stronger!
