

## Oscar Harris

December 18, 2015 - December 5, 2024

Oscar aka Tinka

Oscar was born 12/18/2015 to Fancy and Eli. On February 2, 2016 he became ours. He passed way too early on December 5, 2024.

We called him Tinka. This was a nickname given to him because his little barks sounded like a very high pitch "Tink Tink".

His pet parents were Fancy and Eli. Mom was a beautiful black and dad was red with a dark streak down his back.

He had a furry best friend named Hogan who preceeded him in death. They were best friends. The two were quickly dubbed "Dem boys". We acquired other rescues over the years. Reggie, Ruby, Moxie, Gracie (the rotation of fosters was endless).

His favorite toys were anything that squeaked. He had a beloved stuffed turkey and porcupine that were very well loved.

Tinka loved people. When we were out in public and people would walk by him and not pay attention he would get mad. He would quickly Tink to garner attention.

His favorite place to sleep was always his dad's lap. He loved his dad more than any human on this earth.

Thank you for reading about our Oscar.

His furever parents,  
Robert & Cecilia Harris
