

Otto Edmonds

June 26, 2017

Otto "Ottobot" Edmonds, of Muncie, passed away on June 26, 2017. He was rescued from a shelter in Muncie on December 12, 2009 when he was 5 or 6 years old. Before that, he had been in several different kennels all over the U. S.

Otto loved to sleep, go for car rides, to eat, and his absolute favorite was to get lots and lots of love! His favorite place to sleep was at the end of the bed or snuggled in between the pillows, and his favorite food was any type of human food, but his favorite treat was the Cesar Filet Minion treats.

He is survived by his loving mother, Kiera Edmonds; human siblings, Alyssa, Shaunacy, and Chasity; and his pack, Max, Lilly, Cookie, and Coco. Also surviving his is Mamaw (Sheila Edmonds); Papaw (Allen Edmonds); Pat, Shirley, Lisa, TJ; and his favorite kids, Joseph, Tommy, Jackson, and Klark.

Otto was preceded in death by his pack members, Gizmo and Zoey.

"I'll never forget how excited Otto got every time I'd come in the door. No matter if I was gone 5 minutes or an hour, he was running to my feet waiting for a treat and a scratch behind the ear. I'll never forget that look he gave me, which was pretty much all the time, when he wanted me to stop what I was doing and give him love. He was such a little sweetheart!"
