Paploo "Lulu" Sleder

4/1/2009-12/19/2025

From the moment you melted our hearts when you jumped in a trash basket chasing a ball at PetSmart in 2009 to your final snuggle and ear rub sitting on your heated blanket in our lap, you took care of us just as much as we took care of you.

Whether you were conning Karen out of treats, Bob out of cheese from his McDonald's, Alex out of "whippies" or Brook out of butter, you always made your presence known. Your chattiness could hold a conversation with anyone and there wasn't a corner in the house you didn't rub up against.

From your midnight security checks around the house, snuggles on the couch, sneaky kisses, mesmerizing purring and regular drinks from the faucet, you kept us in line. You were a kind, loving and gentle spirit and we will be forever grateful for your impact on our lives
