

Pebbles Gotwals

March 19, 2011 - January 21, 2026

Pebbles Rae Gotwals was born on March 19, 2011; and passed on January 21, 2026. Her pet parents are Valentine and Jack; human sibling, Jakob (brother); pet siblings: Rousey (daughter), Pepe (daughter), cat siblings - Taco, Ava, Ivy, Ziggy, and Oreo. Other family and friends are Martina (grandmother), Diana (grandmother), Andrea (mom), and Ethan.

Pebbles wasn't a big fan of dog toys, but loved cat nip toys. Her favorite activities were going for rides/walks and getting pup cups. Loved going to my grandma's. Getting into the cat food. Watching me do dishes (hoping there were some leftovers in the sink). Pebbles was not a big fan of birds. She would always chase them at the park. Her favorite place to sleep was right next to my head on my pillow.

Favorite memories: There are so many to list. She loved going fishing with my husband, brother, and I. Kayaking with her. The day she was born.

She was my soul dog for 15 years. She got me through a lot of bad and happy times.
