

Penny James

January 3, 2020

Penny James, a beautiful Black Lab, was born in June 2012 and passed away on January 3, 2020 after a brief illness. She was the family pet of Kyle, Kendra, Hayden and Luke.

Penny was adopted in 2012 from the Muncie Animal Shelter through BowWow in Yorktown, Indiana. Penny had been by her family's side for 7 ½ years, and was adored by everyone she met. She loved spending time outside and running around the yard with her adopted canine sister, Georgia, and spending time with her canine uncle, Buddy. Penny also enjoyed running up and down the fence racing her canine neighbor, Gunner. She also loved cuddling up next to her human family members and always being there to comfort them.

Penny is survived by her human family, Kyle and Kendra James, Hayden Rinker-Noland and Luke James, as well as her adopted canine sister, Georgia, and many other loving human friends.

Penny will be loved and missed by everyone, but we know she is happier and healthier than she has ever been.
