

Peter Cottontail Reardon

March 27, 2005 - June 28, 2016

Peter "Pettie" Cottontail was born in Sharpsville In. to his parents Emily and Steve McPherson.

Peter had a brother dog named Kujo Beagle Boy Reardon. Other family members are Grandparents Thomas & Paula Reardon, Aunts Jennifer, Jessica, and Julie Reardon: Great- Grandparents Jon & Diane Feagler: Cousins (dogs) Buddy & Scrappy Reardon.

His Favorite toy was a stuffed rabbit and favorite activities were to chase live rabbits, getting all the attention and sleeping. Peter does not like sirens and Aluminum foil.

His favorite places to sleep are next to mommy or during Christmas time under the living room Christmas tree.

Peter has his favorite foods which are hot dogs, cheese, and dog bakery treats. There were lots of things Peter knew how to do: sit, lay, roll over, high five, roll down truck windows, alert you when someone was at the door, and make you fall in love with him.

Our best memories were unwrapping his & everyone elses gifts at Christmas time, Birthdays and any ocassion that there were gifts to open. Everyday we came home he would be at the door waiting on us and wouldnt stop barking until we talked/petted him. When we would go on truck rides and his window wasnt down he would roll the window down himself which resulted in us having to lock the windows.

One last thing is he was chasing a bunny rabbit when he crossed over the

Rainbow Bridge. He had one big smile on his face.
