

Phoenix Reese

April 24, 2009 - December 4, 2023

Phoenix Reese (son), born April 24, 2009, passed on December 4, 2023, surrounded by his mom and grandma. We are grateful to say he had an amazing life for 14 1/2 years surrounded by nothing but love and happiness..

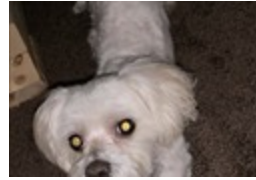

Phoenix had an amazing life he grew up with me (his mom) and my two brothers and our mom. He was so playful and full of life when he was younger he had a toy he played with everyday and that was a squeaky fry he loved it so much. As he got old he started to not like certain things and one of those toys but he love to go on walks, car rides, and being with family.

He would sleep in his moms bed every night if he didn't get to sleep on the bed he would have an attitude you could definitely tell. He loved being right up against his mom too when he slept his leg, face or something would have to touch her when going to sleep that was his moms favorite time with him was bedtime they would get their cuddles in before Phoenix's moves and really gets comfortable. He was full of life for the longest he loved to protect my nephew and niece every time they were over. Phoenix was so gentle and loving towards his people he never wanted to be away from them he will forever be loved and missed he was the best dog in the world the best son ever we love you forever Phoenix rest in paradise
