

Piggy (Butters) Deemer

March 6, 2006 - January 25, 2023

Piggy (Butters) Deemer ("Piggy" "Pig-Pig", "Pigsters", "Pigorooni") was born on March 6, 2006, and passed on January 25, 2023. He is survived by his pet parents, Alexis and Miles Murray; human sibling, Hazel Murray (due in March); pet siblings: late sister Stormie (dog); succeeded by Hyme (cat), Mamas (cat), Twixy (cat), Kovu (dog), and Munchie (dog). Other family is Grandpa, Kenneth Deemer.

Piggy was pretty lazy and did not play much. His favorite activities were eating popcorn, sitting on mom's chest, rubbing his face on mom's, eating all the foods, and "Piggy Dipping". His least favorite thing was when mom wiped his face off LOL. His favorite place to sleep was on top of anything you put down (laptops, clothes, baskets, boxes).

Favorite memories of Piggy: Pigsters was a very loveable cat. He was so happy just to be around. I (Alexis) had piggy since I was 6 years old. I am now 23. Pig got to watch me grow up. Pig was extremely goofy. When we first got him, his name was "Butters" on his birth certificate. He got the nickname "Piggy" because he snorted like a pig. Now Piggy did this thing called "Piggy Dipping". He never drank water like a normal cat. He would stick his paws in the water and drink the water off his paw. Pig had no sense of "situational awareness". He was such a "go with the flow" cat. Pig taught me many things throughout my life and we are all so blessed to have been given the chance to

get to know his soul until we meet again.

He had his famous “snaggle tooth” that everyone loved! You can see in some of the pictures I added. This was a huge part of pigs personality.

“ *Piggy was the first cat I ever liked. He was the inspiration for me getting my own cats. There was absolutely nothing better than him rubbing his wet face on yours! He was the most loving and friendly cat I have ever met. Cheers to the best cat I have ever known* ❤️
