

## Pixie Dixie Swallow

May 25, 2008 - September 6, 2020

Pixie Dixie Swallow, beloved fur baby of Anna Swallow and Cathy Davis, passed away on September 6, 2020. Born in Muncie, Indiana on May 25, 2008, she had many nicknames including “Pixie Pie,” “Pixie Stix” and “Baby Girl”.

Little Pixie Dixie loved to snuggle and go for car rides! She did not like people getting close to her mama. Her favorite places to sleep were on her mama’s bed and the couch.

As Anna shared, her best memories of Pixie Dixie were snuggling with her and going on the car rides. When anyone came to their house, Pixie Dixie needed to be greeted first because it was her house.

In addition to her pet parents, other survivors include her 13-year old human sister, Willow; Grandma Debbie; several cousins; and pet siblings, Cupcake (bunny); and Princess Sassy Pants (sugar glider).

Family members that preceded were pet mama Meya-Jo; and pet grandmother, Precious-Marie.
