

Precious Runyon

April 14, 2023

Our 20 year old companion, Precious, fell into eternal rest on April 14th, 2023. She was surrounded with love and goodbyes during her last moments.

Precious followed one of her humans home as a stray kitten many years ago. As children, we begged to keep the tiny calico baby that chose us. Reluctantly, she became a part of our family and was named by my mother, Lola. Precious watched as her children companions grew into adults. She would wrap her body around my belly as we waited for my children to be born. Precious was fortunate to meet all four of my children as well as my stepson, who all miss her very much. Precious lived through many of life's challenges and overcame many of her own, as well as living with cancer since 2018.

Her favorite thing to do was lounge in the sun while exploring the outdoors, which she did regularly until she was too old to do so. She loved sitting on laps and digging her claws in. She disliked other cats with a passion but loved attacking her dog brother, Rocky, who passed on years before her. Precious had many nicknames- Meowzers, Baby Girl, MeowMeow, and another inappropriate one that we called her with love (She was grumpy).

Precious is survived by her guardian, Jessica; Jessica's husband Cory, and the kids, Rowen, Rylan, Anders, Liam, and Cory Jr.; Her original Mom, Lola; Childhood companion and her discoverer, Joshua.

Precious is preceded in death by her dog brother, Rocky; her caregivers that lovingly allowed her to join us, Donald and Shelia.

Precious was an epic cat who lived an epic, long life. She will always be missed.
