

Prince Gauthier

December 19, 2022

Prince “Bubby” Gauthier crossed the rainbow bridge on December 19, 2022. He and his best friend/sister Coco, whom he loved and protected with all of his being, were lovingly adopted on February 2, 2020 by their Dad, Micheal, and Mom, Alli.

Prince was a big fan of chicken, napping, cuddling, and visits from his friends and family. He also loved being outside and sniffing everything. He was a beagle, after all!

When he wanted cuddles and pets, he would lay on his back and wave a paw around to let us know. This became known as “making pizza”, for how it looked like he was throwing the dough in the air. He even managed to “make a pizza” on his very last day with us, which meant so much to his mom & dad.

Prince was such a gentleman and had the sweetest demeanor, and we often heard that he was cooperative, sweet, and a very good boy. We can confirm that all of those were true.

We will always remember our sweet boy for his happy smile, his curiosity, and his big heart, and miss him always.
