

Pumpkin Good-Eckard

June 6, 2012 - July 14, 2025

Pumpkin ("BabyGirl", "Sweet Special Girl", "BabyDoll") Good-Eckard was born June 6, 2012, and passed on July 14, 2025. She is survived by Mary and Barry Good-Eckard (we loved her dearly!). Other family and friends are daughter; next door neighbor; and friends at meetings.

Pumpkin's favorite toys were things to chew on, and licking things that move. Her favorite activities were playing with Mom or Dad; sitting on screened-in porch; rocking with Mom; watching TV at night with Mom and Dad; snuggling and licking (kissing) their hands. Her favorite place to sleep was with with Mom and Dad, by Mom's pillow.

Favorite memories of Pumpkin: holding her and talking to her; swinging on porch swing; watching her watch outside birds; having her lift her arms to be picked up; she would bump Mom's arms to wake them up in the mornings; watching her watch TV.
