

## Ribbi Rench

May 22, 2017

Ribbi " Bubba" "Baby Puppy" "Riggle Biggal" Rench, 13, of Daleville, passed away on May 22, 2017. He was born in June of 2003 in Winchester, IN.

He loved to greet everyone at the front door with his favorite toy, his stuffed bear. He also loved to play tug of war, eat ice cream, but he especially loved to cuddle. One thing he didn't like though was thunder storms.

Ribbi is survived by his loving parents, Joe and Paula Rench; and siblings, Jordan and Kaleb Rench. Also surviving is Grandma Cenn, Jordyn Lacy, and Tigger.

"No matter how bad of a day it was he was always there happy and ready to give you love and share his bear with you. We will always remember his first trip to the beach and ocean, and his little, sad, looking face when you had ice cream and he was waiting on his share. He then would roll around on the floor after he ate some!"
