

Rock Mehling

January 1, 2004 - September 7, 2011

I got him in Sandusky Ohio on June 4th 2004. He was 4 months old.

Rock had three litters with his wife, Shelby Lynn. In his lifetime he fathered 24 puppies. We still have his daughter, Midnight. He also has an adopted son, Tennessee, who we adopted in 2009 and rescued Redbone Annie Belle .

Rock lived with 4 cats and a ferret. He got along with all of them.

Rock enjoyed playing with all the dogs and with our daughter and nephews.

He loved his Aunt Lisa too.

Rock loved to sleep on the bed with us and he would get on the bed after David would go to work and snuggle with me. I really miss that!!!! He was such a good dog. He would always be waggin his little nub. When we would come home, Rock would always be there at the door. When he'd lick you he'd give you a bath.

Rock is very much missed. There is a void in the house. Goodbye my beautiful boy!!!!!!
