

Rocky Brown

April 22, 2007 - October 8, 2023

Rocky Brown was born on April 22, 2007. and passed on October 8, 2023. We got this baby when he was 5 weeks old. He was the cutest little puppy. He was a chocolate with tan AKC registered chihuahua. He had the longest tongue to lick you with.

He is survived by his pet parents, Greg and Dawn Brown; along with his human siblings Kelby, Chris, and Elijah. He had no pet siblings living with us.

Rocky had a few nicknames. The first one was Tooey. On his 2nd birthday it just became a nickname since he was 2. He was also called Boo-boo, Doo-doo, and Rockstar (he truly was a rockstar). His mammy (Connie) took good care of him by letting him out during the day when we were at work. She loved him and he knew she did.

Rocky had a little stuffed animal Chihuahua that was his baby and one of his favorite toys. If we would throw the "baby" he would run and get it and bring it back. He also had a squeaky ball that he loved to chase in his younger years.

As Rocky got older, he enjoyed watching tv and taking naps with his Daddy on Sundays. He loved spending time with his Mommy. They were truly best friends. He always slept with his pet parents. Rocky went everywhere he could be taken in his last couple years. His last couple of years he got to take

stroller rides every day. He is loved and missed so much!
