

Rocky Balboa Hamm

August 3, 2012 - June 3, 2023

In loving memory of Rocky Balboa Hamm. August 3, 2012 - June 3, 2023. Rocky had many nicknames that he would answer to but we called him Rock most of the time. Rocky's favorite activities were camping, and playing fetch and tug of war with his favorite rope, and he loved going on long walks. Rocky's favorite treats were the big milk bones from save a lot he would get one and run off to our bedroom to eat it while his tail would wag away. He had the biggest personality that would put a smile on your face. He was a big goofball who had to be the center of attention and he loved having his picture taken. Rocky chose me out of all his siblings when was 8 weeks old. He came walking up to me and wouldn't move until I picked him up. Rocky and I had a very special bond he would go out of his way to make me smile when I was feeling down or having a bad day. He would never leave my side. He did suffer from separation anxiety really badly so he would get super happy when I would come home from work wining and wagging his tail in circles upon my return. Rocky was proceeded in death by Barney who was my childhood dog until my last year in high-school.

I would personally like to thank the Northeast Indiana Veterinary Emergency Specialty Hospital for their professionalism when it came time to let him cross the Rainbow Bridge. I also want to thank Tanya Mygrant for the kindness she showed me during this hard time for me.
