

Rocky Road Hammack

January 1, 2001 - December 5, 2016

Rocky Road "Rockster" "Bubby" Hammack, 15, passed away on December 5, 2016. He was born near English, IN on January 1, 2001.

Rocky Road loved to take rides in his sissy's wagon, getting brushed, running, playing with his ball, and chewing on his rawhide bones. He loved going with daddy on walks even when it was visibly painful for him. His favorite place to sleep was on the futon or in a pile of snow! Somethings that Rocky Road didn't like though were baths, thunder, or fireworks.

He is survived by his parents, Pat and Diana; human sibling, Laura; and his pet siblings, Stitch (dog), and Anna Bell (cat). Also surviving is Jim and Buffet, Marly and his family, Debbie and Lark, Grandma and Grandpa, and Mamaw and Papaw.

Rocky Road was preceded in death by his cat sister, Whisper.

Some of the family's favorite memories of Rocky Road were when they would pick him up from the boarders or groomers and he was so happy to see them all! Also when the family went to a park to play, especially in the winter when there was snow on the ground. He loved snow!

“ *There is a mistake in the obituary. Mamaw and Papaw are both passed, but they enjoyed Rocky very much. This is a picture of the Rockster in his element. A snow covered trail to explore.*
