

Rolo Sloan

May 8, 2020

Rolo Sloan, fur baby of Larry and Vickie Sloan, passed away on May 8, 2020. Born in June 2009, Rolo was the only surviving pup of his mom, Coco; they were both living in a puppy farm. Larry and Vickie rescued and adopted both of these sweet babies. They gave them their forever homes filled with love and happiness.

Rolo (nicknamed Rolo Polo and Baby Boy), loved to run and talk for treats! He enjoyed playing with his favorite toy, Zeebie. But Rolo did not like taking baths! He had two favorite sleeping places, in bed with his pet parents, or in his pet mom's lap.

Larry and Vickie's favorite memories of Rolo were his going outside in the backyard to chase squirrels, and how he loved to make eye contact when he asked for treats.

In addition to his pet parents, Rolo is survived by his fur mom, Coco.

“ *There isn't a day goes by that Mommy and Daddy fail to think of you. We have so many fond memories. I miss you talking to me asking for a treat. Sleeping with Daddy always keeping my feet warm. The week we got you we took you to the dog park, to let you play with other dogs. There were so many dogs that were running up and down the park. You never let any of them pass you. You were born to run...Mommy and Daddy miss you so much. Your Mother, Coco really misses you. Daddy cried so much when you passed, and we were there with you to the end. We love you baby boy.*
