Her favorite activities were to jump and play with her brother, Barney Joe. Her favorite place to sleep was in the dog room in her bed.

Favorite memories of Rosie Lynn: I got Rosie when she was a puppy. She was a gift from my sister, Tammy. She passed away two years ago. Rosie was a much-loved little girl. She was spoiled rotten. She would talk to you. She was potty trained. She was a lap dog. She didn't like to be called a dog, so we called her "Brat". She was a joy to have around. She was a mother to the other dogs. The South Anderson Veterinary Clinic liked Rosie very well.

A little note from South Anderson Veterinary Clinic: Rosie was a sweet little furbaby. She loved her mommy so much and gave her special moments in her life. She will be missed!
