

## Ruby Ball

September 11, 2011 - February 20, 2023

Ruby Ball was born 9/11/11, adopted 11/11/11, and passed 2/20/23.

Raised by me, Eric Ball.

Loved by Levi and Lylah Ball and everyone.

Her favorite toy was anything to play tug with.

Her favorite activity was chasing squirrels.

Her favorite place to sleep was under the covers.

Favorite memory was how I got her. I had a garage sale and traded a couch I was selling for her. Hated the couch, loved the dog. She was my ride or die, she went absolutely everywhere with me. It was just a known fact that if I was coming, so was Ruby.
