

Ruettiger Landry Bennett

June 18, 2007 - February 13, 2019

Ruettiger "Rudy" Landry Bennett A.K.A Pooper and Rudy-Roo, 11, passed away on February 13, 2019. He was born on June 18, 2007 in Mayfield, KY.

Rudy loved many things in life including: eating any human type food, and sleeping/snuggling with his sister, Regan, in her bed. His favorite foods were green beans and Dentastix; loved playing with any toy that his brother, Scout, wouldn't steal from him, but his least favorite thing was his barn yard cat sister, Pretty Kitty.

Rudy is survived by his pet parents, Brad and Shelly Bennett; human-sisters, Sierra (Josh) Norman and Regan Bennett; pet-siblings, Scout (dog), Vada (dog), and Pretty Kitty (barn yard cat); human baby niece, Emma Norman; and all his friends at Paws & Play Dog Resort in Fishers.

Some of our favorite memories: "When he would get the zoomies and would run laps around the living room; when he would sneak under the passenger seat so he could sit up front in the car; the winter static that would mess with his fur; and everyday he was all about loving his family with quality time!"
