

Ruthie Carver

July 23, 2007 - October 22, 2019

Ruthie Carver, 12-year old fur baby of Mary Lou Carver, went to Rainbow Bridge on October 22, 2019.

Ruthie loved getting the squeaker and stuffing out of her toys, then continued to play with them after all that work! She was a great little traveler, by car or plane. She was a busy body and so full of energy. As her fur mom shared, "Everyone loved Ruthie! She was quite popular!"

Her favorite place to sleep was under the covers against her mom. She enjoyed eating French fries and cheese.

Ruthie was preceded in death by her brother, Walter. In addition to her fur mom, Ruthie is survived by her brother, Charlie.
