Sammy Nugent

7/4/2006-7/1/2022

Also known affectionately as Samuel L. Jackson, Sammus, Sammy Davis Jr., and Sam Sam. Sammy crossed the rainbow bridge to be met by his best friend Minnie, and all his other doggie and kitty friends, to run and play without pain.

Sammy is greatly missed by his Hooman Mommy Kathy Nugent; siblings Jeni Sidwell (David Stover) and Matt Sidwell (Nicole Sidwell); and favorite nieces and nephews, Alex Stover, B Sidwell, Zylar Sidwell, and London Sidwell. Cousins Toby, Yolanda, Figgy, and Freddy. Sammy was preceded in death by Twist the cat, Minnie the dog, Miller the dog.

Sammy was loved by all who met him and never met a stranger. He has too many other friends to even list.

His favorite things were walks, the dog park, rides in the car, and snuggling with anyone who would let him.

Our favorite memories of him are him "protecting B as a baby from evil baths", running and playing with Minnie "hiding his bones, making his bed, and greeting his fans.

He will be missed a lot by many people!
