

## Samson Rice

July 8, 2011

What can I say about my best friend. He was the love of my life. My heart is still broken. I miss him so much. I don't see how anyone could have had a closer relationship to an animal as I had with him. We were soul mates. I will always love him. If I had one wish it would be to meet him someday at the Rainbow Bridge and be with him forever.

# Tribute Wall

“ *I love you Sammy.* ”
