

# Santana Fuego Hernandez

July 12, 2024

Santanna Fuego Hernandez

“Tanny”

Tanny was a gift, in every way possible. We got him Christmas of 2012, when he was just paws and a milk belly. He started out as a lap dog and never let that change! Santanna was the silliest most compassionate dog. He loved to go on walks at the park, he loved getting pup cups with mommy, he loved singing with you while you cook. He loved meeting strangers-for the free pets of course!

Santanna never knew the meaning of personal space- if there was a face it was getting licked. He loved cuddles, belly rubs and especially kisses. He also enjoyed chewing a nice rock from time to time, the quirky boy. His favorite activity, however, had to be his singing competitions with his pup sister, Spartacus!! They were trying their hardest for American Idol.

Santanna crossed the bridge July 12, 2024. Santanna is survived by his parents Marisol and Tommy Hernandez; his grandmother Amparo; human siblings: Carlos Hernandez, Arianna Faust and Matthew Faust; furry siblings: Spartacus, Maximus, Raquaza, Mazikeen, Sushi, and Horchata.

Santanna, We love you more than words can describe. You've always been there through the tough times, you were everyone's rock. You were the best boy, papa. Thank you for all of the laughs, all of the love, all of these memories. We hope you're having a blast up at the giant dog park. Rest in peace baby, we'll see you again.
