December 1, 2010 - February 13, 2026

Sassie ("Blondie", "Phat Pat") Cooperider was born December 1, 2010; and passed on February 13, 2026 at 7 p.m. She is survived by her pet parents: Tammie & Casey Cooperider; human sibling, Ernest Brown; pet siblings : Missy, Squirrel, Rossi, Meme. Other family friends: She had many two legged and four legged friends. She loved going to "work" and spending time with all of her" co-workers".

Sassie's favorite toys where her stuffed unicorns. She loved to dance to the Humphrey Hop ( which every time they said bump bump, she would lift her booty so get scratched). She also loved to go outside and bark to see if any of her neighborhood friends would answer her back. They would hold conversations for hours! Her least favorite thing was peeing in the rain.. She loved to sleep next to her momma.

She was full of bossy, personality, and pranced every where she went. She was truly one of a kind.
