

Scruffy Street

January 15, 2013

Scruffy was adopted from Greenfield/Hancock County Animal Management on October 20, 1999 by John and Julia Street of Greenfield. He was estimated to be at least two years old at the time. He passed from this life on January 15, 2013.

Scruffy lived a rich, full life. He served as an advocate for the adoption of shelter animals, particularly older pets, and inspired his family to volunteer with Greenfield/Hancock County Animal Management. He was a fundraiser for Partners for Animal Welfare Society PAWS. His quiet, friendly demeanor made him a welcome visitor in nursing facilities. He worked from 2000-2001 for Donley & Company, Inc., an insurance agency in Indianapolis, where he was given the title of fuzz therapist.

Scruffy will be greatly missed by all who knew him, but especially by his family.

“ *Scruffy was such a wonderful dog and my favorite furry nephew. His time in my life, in the lives of my children and in the lives of my grandchildren can never be replaced. I've said it before but it bears repeating, Scruffy was truly a canine angel. Thank you, dear boy, for bringing such joy to my family. You will always be in my heart*
