Other family and friends are (family): Aunt Rise, Uncle Kelly, cousin Jenna, Uncle Fara, Aunt Jill, Cousin Drake, cousin Cade, Cousin Eero, (friend): Deb Nealis

Shadow's favorite toys were Lambchop, purple octopus, and a red rope. Her favorite activities were playing with her frisbee, running along fence with her two weiner dog friends, chopping on her bones, playing tug of war with Daddy, getting belly rubs, and sleeping with Mommy. Her least favorite thing was bath time.

Her favorite place to sleep was with mommy, or on floor beside mommy.

Favorite Memories: Shadow chose us when we went to ARF she was the only dog that wasn't barking aggressively, just happy. She was on her hind legs with a silly look on her face, she came out to meet us and jumped around and got so excited she peed on Mommy. Loved it when she would catch her frisbee with her framing her face, it was so darn cute. When it rained she refused to walk through the puddles and would walk in the middle of the road to get away from puddles, didn't mind the mud, but puddles were another thing. Wouldn't go out to potty in the rain, take one look outside and look at us

and it was as if she said um nope not today. If Mommy was sick, Shadow would get on the bed and not leave her side, she would wait as long as possible to go out to potty, she wouldn't leave her mommy. She loved her treats and could smell them whenever we brought them home. She would sniff all of the bags, that was her security job.

We will miss Shadow very much. She was a huge part of our lives. We love you Shadow, Mommy and Daddy
