

Shana` Thompson

August 17, 2018

Shana' Thompson was born in April, 2004 in Texas and crossed the Rainbow Bridge August 17, 2018. She is survived by her parents, Alan and Ann Thompson; siblings, Buddy, Tiny, Molly, and Princess. She was preceded in death by her brother "Little Bear" to whom she was very close. There were many more family fur babies preceding her in death. She had so many human friends. She spread joy everywhere she went.

Shana', or Na' Na' never had a favorite toy, but she loved playing with Daddy's hand so she related that as her toy. Her favorite activity was being with her family and friends. Her favorite place to sleep was under the breakfast nook on her pillow and soft blanket or on Mommy and Daddy's chest.

There are so many wonderful memories. We loved how she made everyone smile, it just seemed like she lived for it. She loved wearing clothes and having her picture taken. She would smile all the time. There wasn't a time that if I was having a bad day, she always made us feel better. She was my best friend and will forever be missed.

“ I miss your smile and your little nose against my leg when you wanted to be rocked. I miss seeing you every day in the kitchen when you'd wait beside me until I finished whatever I was doing and follow me where ever I went. You were my best friend when you left you took a piece of my heart with you.

We memorialized you and little bear by having you both painted on the back of the bike that you loved riding so much.

Rest easy my precious babies we will meet again💕💕
