

Simba Boyer-Hess

May 14, 2024

Simba Boyer-Hess passed on May 14, 2024. He is survived by his pet parents, Zara and Christian; human sibling, Venus; and pet sibling, Noodle.

Simba's favorite toys were Q-tips and Cheerios. His favorite activities were chewing plastic, stealing baked goods, and lounging in the sun. His least favorite thing was raised voices. His favorite place to sleep was on any available lap (after circling for 10+ minutes).

Favorite memories: Simba was really close with Venus, starting with my pregnancy. He would always come running when she'd cry.
