

Sir James Alexander

April 24, 2012 - November 13, 2023

Sir James Alexander, born 24 Apr, 2012, passed in dad's arms 13 Nov 2023.

My dad adopted me from a rescue shelter, where I was at for 3 months.

I was a handsome dude, and I knew it.

My dad led me around by a leash, and I led him and bossed him around by his nose! He baked chicken for me for supper.

I loved our camping and fishing trips in Wyoming and New Mexico, and I was eager to get into our truck and go everywhere with him. I followed dad everywhere he went.

My dad gave me a life I wouldn't have had with anyone else!
