

Sissy Girl Hoang

August 6, 2024

Sissy Girl ("Sis", "Sissy", "Sister", "Sister Girlfriend") was born in 2006, and passed on August 6, 2024. She is survived by her human parent, Tressie Prater-Hoang (mommie); human siblings Taylor Hoang and Lydia Hoang; and pet sibling, Bella (poodle dog).

Sissy Girl's favorite toys were a Q-tip that she like to play fetch with, and a ball. Her favorite activities were sleeping; cuddling with mom, Tressie; going outside with mom, Tressie; and getting brushed. Her least favorite thing was Bella barking at her and wanting to play. Her favorite place to sleep was in mommie's bed.

Favorite memories: When Sissy was young, I'd take her for walks on a leash. She loved our walks. When she got older, I didn't have to leash her and she stayed in her own yard. She could say mom and mommie. Sissy was a smart and sweet girl and loved by so many.
