

Smokey LaSpina

February 6, 2025

Earlier this month I lost my sweet baby Smokey---he passed at home in my arms, covered in my warm hugs and kisses.

For 19 years he was always by my side.

He could tell whenever I got sick, meowed happily at the front door every time I returned home from running errands, and could even sense how precious my son is to me, offering him nothing but gentleness since the day he was born.

My family had given him a lot of nicknames over the years: Smuckers, Omar, Mauve (for his cute little nose), and Bussy, just to name a few.

But no matter the name he will always be known as... the best cat.
The best furry friend we could have ever asked for.
My heart is so thankful he chose me.

The next time you eat broccoli, know he is smiling at you cause steamed broccoli was his all-time favorite treat, so much so he'd come running to the kitchen whenever he smelt me cooking it for dinner.

I love you, Smokey.
Please wait for me.

“ If it wasn't for Smokey, many other rescues would have never happened. He was the first pet of our extended family. Smokey became a brother to Phoebe & than a cousin to CreamPuff , Sophie, Pepper, Callie, Chiquita & again a brother to Charlie & Nacho. He became a part of our family & all of us were wanting a part of his love. We passed his love through our love by loving future rescues. We will always love you, Smokey, & keep your love growing in our hearts. Thank you for sharing your love to all of your extended family. You will always remain with us until we join you & all the other rescues we have loss in Heaven.

Smokey was the smuggest, most dapper, charmer there ever was. He knew right away he had picked a wonderful family to spend his life with on his own terms.
