

Sophia Daisycup Sheron

September 27, 2008 - August 18, 2019

Sophia Daisycup Sheron was born September 27, 2008 in the small town of Columbia City, Indiana. Sophia was brought into the home of Tina Sheron as a young kitten and lived a wonderful life with her furmom for 10 years.

Sophia was an active cat. She loved to chase anything that moved, mainly bugs and mice, and loved to bring them back to Tina as "gifts". Hunting was one of her favorite sports and she could be often found stalking/watching the birds and squirrels outside. On top of hunting, Sophia also spent her time playing with favorite toys. She had a few favorite toys, some of those being milk rings, jingle bells, crochet fish and a fishing pole. One of Sophia's favorite games was taking the plastic bags from her furmom when she went shopping and seeing if she could escape with it before she was caught.

But as much as she loved to play hard, she loved to relax and nap just as much. She could often be found laying in the sunbeams or curled up with her mom on the couch or in bed, giving kisses. Sophia loved to be tucked in as close as she could to her family and would always come when called for her snuggles.

Sophia Daisycup is survived by her furmom, Tina Sheron, Tina's Mom, her cat-sister, Dorthoy Eliza, and her dog sister, Sweetart. She is also survived by Michael Sheron, Sophia and Theodore Sheron, J.T. Slusser, Heather Slusser,

and her pet cousins, Gatsby and Clover.

Sophia Daisycup crossed rainbow bridge August 18, 2019.
