

## Sophie Butterfield

November 25, 2008 - October 15, 2022

Sophie ("Sissy") Butterfield was born on November 25, 2008, and passed on October 15, 2022. She is survived by pet parent, Stephanie Butterfield; human siblings, Stetson Reger and Dennise Tatman; pet siblings, Pepper and Hoss. She was preceded in death by Richard Butterfield, and Ellie.

Sophie's favorite toy was her bunny. Her favorite activity was going outside. Her least favorite thing was mommy leaving the house. Her favorite place to sleep was close to mommy or in her puppy bed.

Favorite memories: Picking up Sophie as a puppy when we first bought her. Her sweet disposition.

Sophie, my Beloved Boston, was the sweetest Baby Girl. She loved her other family pets, Pepper and Hoss. She will be missed by them and by her human family, Stephanie Butterfield and Stetson Reger. I wish dogs lived longer, they are the joy of many humans. It is true - "Man's Best Friend is a DOG."

Rest in Peace, my Baby Girl.
