

## Sox Allen

April 1, 2011 - April 22, 2021

Sox Allen ("Sweet boy", "Sweet baby", "Socker Bocker", "Socky bear", "Soxies" was born on April 1, 2011, and passed on April 22, 2021. He was adopted by his family on August 14, 2011. He is survived by his pet family: Norma, Katie, Ben, and Maggie Allen. Other family and friends include Keith McEwen, Tori (Rehm) & Trent Adams.

Sox's favorite toys were a pipe cleaner, Toucan, and Banana (nana). His favorite activities were watching birds, eating flowers, spending warm days out on the screened-in porch, cuddling with his humans, and trying to hide in the sheets when the bed was being made. His least favorite things were plastic bags, the vacuum cleaner, and other cats. His favorite place to sleep was in the sun, with family, warm laundry piles, and heated blankets.

Favorite Memories: Chasing down a neighborhood dog who was too close to his house, falling through a screen to get at a cat who was too close to his house, killing a mouse by sitting on it, staying up late to support family members who were working on homework, how anything new in the house was "his" and had to be slept on right away (backpacks, coats, blankets...you name it), his purr, thinking the Nativity scene at Christmas was a toy, attempting to block packing for vacations by taking over the suitcase, and always being happy to see his family return home.

Loving Thoughts: We packed a lot of love in our 10 years with Sox. His time with us was cut short by cancer and no amount of time would have been enough.
