

Spud Berkebile

July 11, 1997 - October 10, 2012

Our beloved Spud passed away on October 10, 2012. He was born July 11, 1997, in Orestes, Indiana. His father was Winston.

Spud was also lovingly called "Bubby" by his family.

He is survived by his parents, Earl and Debbie Berkebile; grandparents, Hoyt and Cewilla Bilbrey and Bill and Venetia Berkebile; special friend, John Crago; and pet sibling, Miss Kitty.

Spud enjoyed his stuffed animal toys, especially those with the "squeaky".

Spud enjoyed the time he spent with his family swimming, riding on the ATV and Wave Runner, and fishing and traveling.

He was not a fan of taking medicine or going to the vet.

When it was bedtime, Spud's favorite place to sleep was in bed between Mom and Dad.

Spud enjoyed his snacks including Chicken Chips, Pup-Peroni's, and Gene's Root Beer Stand.

Some of the favorite memories of Spud include staying with Earl at the hospital in Noblesville, fishing on Lake Erie, seeing the joy in how excited he was to see us when we would come home, watching him dive and swim at our lake, and watching him go and get his Christmas present from under the tree and open it.

Spud enjoyed everything he did with us and he enjoyed life! Spud was a beloved member of our family and is deeply missed.
