

Starla Hewitt

April 8, 2022

Starla ("Scoot toot Girl", "Babygirl") was in 2013, and passed on April 8, 2022. She is survived by her pet parent, Janice Hewitt; human sibling, Rocky; and pet siblings, Daisy and Jasper.

Her favorite toys were her Gina grooper fish toy and owl toy. Her favorite activities were her frisbee, toys, ball, and walking. Her least favorite thing was Mommy leaving. Her favorite place to sleep was with Mommy.

Favorite memories of Starla: Watching her play outside. She had been sick since February, cause unknown, went to the doctor three times. Maybe a week or a few days before she passed, we were on the couch. She got down and walked to me and got on my lap and put her head over my shoulder. We went to sleep and stayed that way for a while. I believe she was comforting me and herself. She knew.
