July 5, 2008 - January 12, 2022

Sugar Bean ("Sugar Baby", "Mommy's Girl") Eades was born on July 5, 2008, and passed on January 12, 2022. She is survived by her pet parents, Gerald and Teresa Eades; and pet siblings, Katie and Mac. Other family and friends are: Jeremy, Joshua, Jason, Tammy, Jimmy, Chrissy, Tori, Tylyr, Chris, Justin, Levi, KK, Conner, Austin, Cloe, Maddy, Lillian, Christian, Brayden, Elijah, and Daenara.

Sugar loved her stuffed animals. Just wanted to sleep with them. Her favorite activities were going for a car ride. Being with the kids. She loved the grandkids. Eating her meals. Just enjoyed being loved on and loved going for walks in her stroller. Sugar loved everything and everyone. She didn't have anything she didn't like, except taking her medicine. But she loved the hot dogs she got to get with them. Her favorite place to sleep was in bed with us.

Our favorite memories are just being with her. We will forever love our Sugar Bean and will always miss her. She was a little girl but thought she was 10 feet tall. She liked to tell her siblings what to do. She was always so loving and sweet and just loved being with us.

We will forever love our Sugar Bean and will always miss her. She's playing with Kokoa now and is in Heaven and she has no more pain or hurts. She loving being with our Savior and her Kokoa Puff. We will be with her again

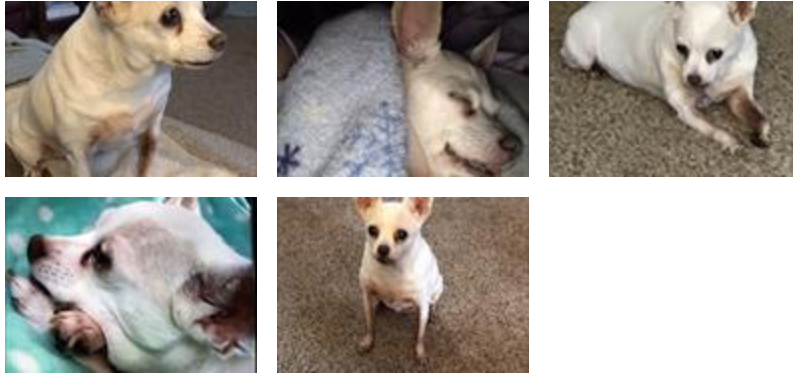

when it's our time to go home to Heaven.

She was our little ball of love! We love you Sugar and we miss you! Forever and always! RIH Sugar.

“ One of my favorite memories I have of Sugar is when she had to go potty. She would see if you were watching her so you could take her out. Well if you didn't come right then, she would come back in running at you and get your attention, and then do her little dance and it was like she was saying come on!

The images and memories will always stay with me.

We love you our sweet girl! ❤️
