Sunny Day was adopted February 11, 2016; and passed on December 16, 2024. She is survived by her pet parent, Robert Ross; and pet sibling Doggy Big Brother Leroy. Other family members are Grandma Sheri, Grandpa Bud, and Friend Terry.

Sunny Day loved any toy that she had to play with. Her favorite activity was laying with her daddy and roaming free outside. Her least favorite things were baths. Her favorite place to sleep was her dad's side or belly.

Favorite memory: Everyday was great with Sunny she lit up everyone's life that she was in, and brought a smile to her family and was always greeting you with excitement.
