

Thor Bady

March 26, 2013 - September 26, 2021

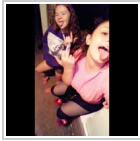

Thor ("Buddy") Bady the Gently Giant, was born on March 26, 2013, and passed on September 26, 2021. He is survived by his pet parents, Dawn Bady and James Lester; brothers: Alez and Amaree'; sister: Alyssia; pet siblings: Chewy, Stormie, Zamora, Octavia, and Hellboy. Other family and friends are: Nana, Aunt Kacey, Aunt Jazmin, Kris, and Brooklyn.

Thor loved to chase balls, they were his favorite toys. He also loved going for walks and meeting new people, sleeping, and chewing on his blanket. He did not like getting his nails cut. His favorite place to sleep was at the end of mommy's bed.

Favorite memories of Thor:

The day Mommy and Nana picked him up at 3 months old. He was so small, but he grew up to be a big, loving, sweet dog. He was a huge dog with an even bigger heart. Thor loved bread, any kind of bread, and he would eat the whole loaf. He also ate a whole box of ding dongs. He was protective of his mommy. No matter what happened, he always had our backs. Thor deserved so much more than what he got back on earth. I hope you are young, happy, and healthy on rainbow bridge. We will be together again one day. I will always love and miss you, my buddy Thor. Nana says she loves and miss you, too.
