

## Tinkerbell Daniels

March 7, 2010 - December 8, 2024

Tinker, you came to Mommy and Daddy at about 8 months. I remember you and Bella sitting in our backyard. Whether you were dropped off or lost, we took you in and you became one of our fur babies. You were always so sweet and loving - always wanting to please everyone. We could have never asked for a sweeter dog. We got to have 14 years with you and I thank God for that. Mommy loved all her dogs, but you were truly special. When I would speak to you, you would always look right in my eyes. When you got sick, you took it like a trooper. Mommy and the vet tried everything to keep you healthy but when stopped eating and had a seizure, we knew you could not suffer. Mommy and the vet thought it was best for you to be with your Daddy, sisters, and brothers. Mommy did not want you to suffer. Know that Mommy loved you so very much. I sleep with your pillow by my side every night. You will always be close to my heart. You will always be my "Tinky Winky" and God willing I will be with you again. You will never be forgotten. Mommy loves her Tinky Winky.
